

Arabian Racing Cup

Sire Nomination

The Arabian Racing Cup's Breeders' Incentive Program rewards the breeder of purebred Arabian racehorses. In order to be eligible to receive these funds, people must join (by paying into) the Cup programs. They must breed to a Cup-nominated stallion and then subsequently nominate the resulting foal by the Cup-nominated stallion. The fee will be \$150.00 per year for each stallion, and stallions from all over the world will be eligible as long as they are recognized by the Arabian Horse Association.

In return for fees paid, every year Nominated Stallions will receive:

- Advertising through all Cup Stallion ads.
- Special recognition in the Arabian Finish Line Stallion Guide and magazine.
- Because foals by Nominated Stallions would be the ones eligible to earn additional money, this will encourage breeders to breed to a Cup Nominated Stallion.

GRANDFATHER CLAUSE

The Cup Stewards decided that a "one-time only" grandfather clause be enacted **for 2016 only**. To nominate a foal utilizing the grandfather clause, the stallion first has to be a nominated sire in 2016. He will then be referred to as a "Foundation Stallion". **For these Foundation Stallions only**, their progeny born in 2016 and earlier will be eligible to be nominated into the program according to the payment schedule if the foal nomination is started by December 31, 2016.

In return, the Cup nominated horse will be eligible for a minimum \$500 payout any time it finishes first, second or third in any designated Breeders Incentive race. The first payout earns back the nomination fee, and for the rest of your horse's racing career it is eligible for the minimum \$500 payout in marked races. There's no limit to how much the horse can earn!
