## Darley Awards Voting

*The Darley Awards are conducted annually under the auspices of the Board of Stewards of the Arabian Racing Cup. The voting panel for the 2010 Darley Awards was comprised of the Board of Stewards of the Arabian Racing Cup, the AHA Racing Commission, the AJC Board of Directors, representatives of the Arabian Finish Line, Arabian Horse Times and Arabian Horse World and representatives of the state or regional Arabian racing organizations.*

*By accepting the responsibility of being a member of the Darley voting panel, persons acknowledged their duty to faithfully and thoroughly consider all of the information presented to them and cast their ballot with deliberation to ensure that each Darley Award winner is the most deserving candidate in that category.*

*The Arabian Cup Stewards selected the five Darley nominees, and then members of the Darley voting panel were provided with detailed performance information from 2010. The voting panel, after consideration of all the data presented, cast ballots for each Darley Awards category.*

*Ballots were tabulated and the names of the Darley Award winners were sealed upon completion of the voting. They are to be announced tonight at the annual Darley Awards ceremony.*

*The Arabian Racing Cup wishes to thank those who participated in this important process.*

*All statistics provided courtesy of the Arabian Jockey Club.*

## Arabian Racing Cup

*The Cup endeavors to promote Arabian horse racing by expanding public awareness and enhancing the value of Arabian race horses. Although operations of the international breeding incentive program have been suspended, the Arabian Racing Cup, Inc. still has the privilege of being the steward of the annual Darley Awards program. Now in its 24th year, the Darley Awards serve to honor the outstanding achievements in the sport of Arabian horse racing.*

*Your presence here this evening is a meaningful symbol of commitment. Support through your generous bidding at the auctions also ensures we can hold this event again next year. The Cup truly appreciates the Texas Arabian Breeders Association who stepped up to the plate to help ensure the Darleys could happen this year, from their hosting of the stallion auction to the cocktail party Darley Weekend. Each of us makes a very big difference in this sport. Through fellowship and fun, our passion for the Arabian horse and racing can carry us as long as we all want to make it happen.*

*- Nancy Blewett, Arabian Racing Cup Steward*

## Arabian Racing Hall of Fame

*The Cup is very honored to have the presentation of the Arabian Racing Hall of Fame at the Darley Awards Ceremony. The Hall of Fame is a program of the Arabian Jockey Club. The Racing Hall of Fame is the highest award a horse can be given in Arabian Racing. Unlike the Darleys that are awarded every year, the Racing Hall of Fame showcases only absolute greatness and may not induct a horse every year.*

*The word Great means "much higher in some quality or degree: much above the ordinary," and each horse inducted to the Racing Hall of Fame shall have made a significant contribution to Arabian racing in the United States through the horse's own performance and the performance of its progeny.*

*The Arabian Jockey Club is proud to present the 2011 induction of*
